EXHIBIT A

I. DEFINITIONS AND INSTRUCTIONS

1. "Act" shall mean the Illinois Environmental Protection Act, 415 ILCS 5/1 *et. seq.*
2. "Answer" shall mean Springfield Coal Co., L.L.C.'s Answer to the Complaint of the People of Illinois and Affirmative Defenses, filed by Respondent in this Case.
3. "Case" shall mean the case of the People of the State of Illinois v. Freeman United Coal Mining Company, LLC and Springfield Coal Company, LLC, PCB No. 10-61.
4. "Communication" shall mean, without limitation, any and all forms of transferring information, including discussions, conversations, meetings, conferences, interviews, negotiations, agreements, understandings, inquiries, correspondence, documents, or other transfers of information whether written or oral or by any other means including electronic and includes any document which abstracts, digests, transcribes or records any communication.
5. "Complaint" shall mean the Complaint filed by the People of the State of Illinois in this Case.
6. "Document" shall be construed in their customary broad sense and shall include, but is not limited to, the original and any non-identical copy, whether different from the original because of notes made on said copy or otherwise, or any agreement bank record or statement; book of account, including any ledgers, sub-ledger, journal, or sub-journal; brochure; calendar; chart; check; circular; communication (intra- or inter-company or governmental entity or agency or agencies); contract; copy; correspondence; diagram; diary; draft of any document; drawing; electronic mail (e-mail); facsimile (fax); graph; index; instruction; instruction manual or sheet; invoice job requisition; letter; license; map; manifest; manual; memorandum; minutes; newspaper or other clipping; note; note book; opinion; pamphlet, paper; periodical or other publication; photograph; plan; print; receipt; record; recording report; sketch; statement; study; summary including any memorandum, minutes, note record, or summary of any (a) telephone, videophone or intercom conversation or message, (b) personal conversation or interview, or (c) meeting or conference; telegram; telephone log; travel or expense record; voucher; worksheet or working paper; writing; any other handwritten, printed, reproduced, recorded, typewritten, or otherwise produced graphic Material from which the information inquired of may be obtained, or any other documentary Material of any nature, in the possession, custody or control of Respondent.
7. "Effluent Limits" shall mean the effluent limits contained in Respondent's National Pollutant Discharge Elimination System permit for discharges of sulfates, iron, manganese, pH or TSS into the Industry Mine Waters.

8. "Freeman United" shall mean the Freeman United Coal Mining Company, LLC, and any of its officers, directors, employees, agents, representatives, successors or assigns, or any other person acting or believed by the Respondent to have acted on its behalf.

9. "Government Agency" shall mean any government agency, including federal, municipal, county, or state, or any subdivisions thereof, and shall include, but is not limited to, the Illinois EPA.

10. "Illinois EPA" or "IEPA" or "Agency" shall mean the Illinois Environmental Protection Agency.

11. "Industry Mine" shall mean the mine located in McDonough and Schuyler Counties, approximately five miles southwest of Industry, Illinois, and which is the subject of Complainant's Complaint in this Case.

12. "Industry Mine Waters" shall mean the waters of Grindstone Creek, Willow Creek, Camp Creek, and/or their unnamed tributaries at or near the Industry Mine.

13. "Or" and "And" in these Requests shall be construed either disjunctively or conjunctively so as to elicit any facts or information which might otherwise be construed as outside their scope.

14. "Person" shall include, but is not limited to, any natural person; business or corporation, whether for profit or not; firm, partnership, or other non-corporate business organization; charitable, religious, education, governmental, or other non-profit institution, foundation, body, or other organization; or employee, agent, or representative of any of the foregoing.

15. "pH" shall mean the measure of the acidity or basicity of an aqueous solution.

16. "Related to" or "relating to" shall mean anything which, directly or indirectly, concerns, consists of, pertains to, reflects, evidences, describes, sets forth, constitutes, contains, shows, underlies, supports, refers to in any way, is or was used in the preparation of, is appended to, is legally, logically, or factually connected with, proves, disproves, or tends to prove or disprove.

17. "Relied upon" shall mean being or having been depended upon or referred to or being or having been arguably appropriate for such reliance.

18. "Representative" or "representatives" shall mean any person, including attorneys, agents or brokers, who acts, or has at any time by any person been requested or solicited to act, at the named entity's or person's request, for the entity's or person's benefit or on its/his/her behalf.

19. "Respondent" shall mean the Springfield Coal Company, LLC, and any of its officers, directors, employees, agents, representatives, successors or assigns, or any other person acting or believed by the Respondent to have acted on its behalf.

20. "TSS" shall mean total suspended solids.

21. "You" and "your" shall refer to and mean the Respondent Springfield Coal Company, LLC.

22. All terms not specifically defined herein shall have their logical ordinary meaning, unless such terms are defined in the Act or the regulations promulgated thereunder, in which case the appropriate or regulatory definitions shall apply.

II. SUBJECTS OF EXAMINATION

The deponent(s) will be examined as to the following subjects:

1. The violations of the Act and regulations alleged in the Complaint.
2. The allegations set forth in Respondent's Affirmative Defenses asserted in its Answer in this Case.
3. Information relating to the duties and responsibilities of each of Respondent's members, corporate officers, agents, and/or employees, including but not limited to Respondent's day-to-day operations of and management of the Industry Mine.
4. Maintenance of Respondent's files or Documents related to the operation of the Industry Mine, and/or any complaints regarding the operation of the Industry mine made by citizens or any Government Agency.
5. Respondent's mining practices at the Industry Mine.
6. The technical practicability and economic reasonableness of reducing or eliminating the Effluent Discharges resulting from pollution sources at the Industry Mine or any other source(s) that have affected Respondent's Effluent Discharges.
7. Work performed or activities undertaken at the Industry Mine by Respondent or anyone on its behalf, to eliminate, control, reduce, minimize, and/or treat the Effluent Discharges from pollution sources at the Industry Mine or any other source(s) that have affected Respondent's Effluent Discharges.
8. Work analyzed, studied, examined, and/or considered at the Industry Mine by Respondent or anyone on its behalf, but not performed, to eliminate, control, reduce, minimize, and/or treat the Effluent Discharges from pollution sources at the Industry Mine or any other source(s) that have affected Respondent's Effluent Discharges.

9. All communications between Respondent and the Illinois EPA relating to Respondent's compliance, or lack thereof, with the Effluent Limits.
10. Respondent's National Pollutant Discharge Elimination System ("NPDES") permit and renewal for discharges at the Industry Mine, and applications for the permit and renewal.
11. All Communications between Respondent and the Illinois EPA in regard to the renewal of Respondent's NPDES permit and/or Respondent's renewal application.
12. Compliance Commitment Agreements ("CCAs") proposed by Respondent relating to effluent violations from the Industry Mine alleged by the Illinois EPA, and all associated communications between the Illinois EPA and Respondent related to the proposed CCAs or final agreement.
13. Sampling data related to the Industry Mine.
14. Levels of sulfates, iron, manganese, pH or TSS in the waters of Grindstone Creek, Willow Creek, Camp Creek, and/or their unnamed tributaries upstream from, and before the waters entered, the Industry Mine.
15. Facts relied upon in denying the allegations contained in paragraph 26 in Count IV of the Complaint, as asserted in Respondent's Answer.
16. Chemical addition to mine drainage conducted at the Industry Mine.

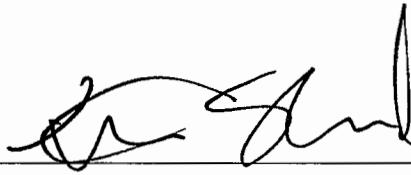

RIDER

Provide the following documents to the extent not previously produced to Complainant pursuant to Complainant's discovery requests seven days prior to the date of deposition:

1. Any and all documents supplementing the Respondent's responses to the People's First Request for Production of Documents on Respondent Springfield Coal Company, LLC, issued on May 30, 2014, and the People's Second Request for Production of Documents on Respondent Springfield Coal Company, LLC, issued on September 17, 2014.
2. Any and all documents you plan to use at trial in this case, as part of any of the Respondent's witnesses' testimony.
