REQUEST FOR EXTENSION OF TIME TO FILE AGENCY RESPONSE TO NACME'S MOTION FOR SUMMARY JUDGMENT

Respondent, ILLINOIS ENVIRONMENTAL PROTECTION AGENCY ("Illinois EPA" or "Agency"), through its attorney, LISA MADIGAN, Attorney General of the State of Illinois, and Assistant Attorney General Nancy J. Tikalsky, her duly appointed assistant, respectfully moves the Illinois Pollution Control Board ("Board"), pursuant to 35 Ill. Adm. Code 101.516, to extend the time for filing the Agency Response to Nacme's Motion for Summary Judgment. In support thereof, the Respondent states as follows:

1. On December 22, 2014, the Illinois EPA issued to NACME Steel Processing, L.L.C. ("Petitioner") a Federally Enforceable State Operating Permit pursuant to Section 39.5 of the Act, 415 ILCS 5/39.5, that contained, among other things, two special conditions for a metal coil surface coating operation at Petitioner's Facility ("Coating Operations Special Conditions")("FESOP").
2. On October 21, 2015, the Petitioner filed with the Board a Motion for Summary Judgment.
3. On October 26, 2015, the Respondent received service of NACME's Motion for Summary Judgment.

4. Pursuant to Board rule 35 Ill. Adm. Code 101.516 (a), Response to Nacme's Motion for Summary Judgment is due on or about November 9, 2015.

5. On October 21, 2015, Respondent discussed settlement possibilities with Petitioner and on October 26, 2015 proposed a settlement option for Petitioner to have its FESOP revised to address Petitioner's concerns filed in its Petition for Review for said FESOP.

6. The AGO is extremely mindful of the Board's desire to manage its docket and timely adjudicate appeals pending before it. However, due to settlement discussions additional time is requested to allow an opportunity for settlement of this matter.

7. Petitioner will not be prejudiced by the granting the Respondent additional time to file a Response to NACME'S Motion for Summary Judgment if reasonable time is provided to discuss settlement.

WHEREFORE, the Respondent respectfully requests the Board to extend the time for filing the Agency Response to Nacme's Motion for Summary Judgment with the Board by an additional four weeks to December 9, 2015.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL PROTECTION
AGENCY
