HEARING OFFICER ORDER

On January 14, 2021, petitioner reported that it has completed one round of sampling to evaluate the potential mixing zone and will do another shortly to account for other factors. Petitioner requested that another status be held in 90 days. Respondent had no objection.

Petitioner will file an additional waiver of the statutory decision deadline to and including July 30, 2021.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 15, 2021, at 11:00 a.m. The telephonic conference must be initiated by the petitioner, and a call-in number, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
