ORDER OF THE BOARD (by B. Forcade):

On May 19, 1986, the Illinois Environmental Protection Agency ("Agency") filed a Request for Stay in this matter. That request seeks to have the Board stay for 90 days the final order issued on March 14, 1986. The Agency states it is filing the request for stay on behalf of itself and petitioner and that petitioner concurs with this request for stay.

The motion for stay is granted. Both parties are directed to file with the Board not later than August 18, 1986, a statement on whether agreement has been reached on the disputed issues. If agreement is reached prior to August 18, 1986, the parties are advised to inform the Board, by motion, of what disposition they prefer.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 22<sup>nd</sup> day of May, 1986, by a vote of 7-0.
