HEARING OFFICER ORDER

On March 3, 2016, the Board granted a stay of this proceeding until July 1, 2016. There has been no request to extend the stay, and no other information provided as to the case status. The Board directs the Premcor Refining Group Inc. (Premcor) to respond to the following by August 2, 2016:

Board Questions

1. In its February 16, 2016 response to Board questions, Premcor stated that the Illinois Environmental Protection Agency (IEPA) hoped to submit a draft CAAPP permit to Premcor with a goal to finalize the permit by Spring 2016. Provide information on the current status of the CAAPP permit, including any applicable explanation for delays.
2. In its February 16, 2016 response, Premcor stated that it and IEPA have reached agreement on the substantive changes to be made to Premcor's CAAPP permit. Describe the matters still to be resolved, including a timeframe for resolving those matters.
3. Premcor attached to its response a letter from IEPA noting Premcor's desire to address the addition of new Clean Air Act requirements applicable to Premcor's facility. Describe what impact, if any, these additions have on the permit and current permit appeals, including a time frame for resolution.
4. Provide an updated timeline of steps to resolving this appeal.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:15 a.m. on August 8, 2016. The status conference shall be initiated by the petitioner.
