HEARING OFFICER ORDER

On April 15, 2021, all parties participated in a telephonic status conference with the hearing officer. The petitioner reported that it has completed testing for the mixing zones and are now having internal discussions and then will initiate discussions with the respondent.

Petitioner will file an additional waiver of the statutory decision deadline to and including October 29, 2021.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 22, 2021, at 11:00 a.m. The telephonic conference must be initiated by the petitioner, and a call-in number, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter.
