HEARING OFFICER ORDER

On August 30, 2007, all parties participated in a telephonic status conference with the hearing officer. The parties represented that the goal is trying to resolve all of the related permit appeals and that they anticipate that settlement meetings will be held prior to the next telephonic status conference. The petitioner represented that it will file a 90-day waiver of the statutory decision deadline.

On August 14, 2007, the respondent filed a motion for leave to file a supplement to the record. At the telephonic status conference, the petitioner represented that it had no objection. To that end, the respondent's motion is granted.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 29, 2007, at 1:30 p.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
