ORDER OF THE BOARD (by J. Anderson):

By its Opinion and Order of November 19, 1987, the Board remanded this action to the Winnebago County Board for further proceedings as detailed in that Opinion and Order. On March 14, 1988 the Board received a letter from the County seeking return to it of the record it submitted to the Board, including hearing transcripts, its public comment file, and all exhibits (including several mounted, oversize maps and charts).

The Board does not return materials submitted to it in the ordinary course of business, as the Act requires the Board to maintain copies of its records for public inspection. However, in the interests of governmental economy, in this case the Board will authorize release of the County record to facilitate compliance with the remand instructions, noting that duplication of the oversize exhibits would be particularly costly.

The Clerk is directed to release a copy of the County record to the County, and to place a copy of this Order in the Board's files in lieu of any documents for which there are no existing copies.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 24th day of March, 1988, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
