ORDER OF THE BOARD (by J. D. Dumelle):

This matter comes before the Board upon various motions to dismiss filed between June 6 and June 13, 1986, on behalf of each of the remaining respondents to this action. No response has been filed by the Americans for a Clean Environment (ACE). However, based upon a telephone inquiry to Georgia Dunn, one of the representatives of that group, it appears that ACE has not understood its right to respond to those motions, but that it does wish to file a response.

In order to insure that ACE may fully present its reasons why the motions to dismiss should be denied, the Board will not decide those motions at this time. However, the Board will decide those motions at its July 31 1986, Board meeting regardless of whether a response is filed. Any such response should be received by the Board on or before July 29, 1986.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 11th day of July, 1986 by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
