**HEARING OFFICER ORDER**

On April 28, 2014, all parties participated in a telephonic status conference with the hearing officer. Discussions centered on the recent supplemental discovery provided and the respondents' privilege logs. The respondents stated that they will make the contents available to me for a ruling regarding attorney-client privilege on or before May 5, 2014. The parties were informed that the un-redacted contents will be treated pursuant to Section 130.400 of the Board's procedural rules.

The petitioner stated that it has five depositions scheduled for this week and next. Finally, petitioner was given leave to file its Request to Admit.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on May 8, 2014, at 10:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
