I am writing to you since I can't find an other way to reach Glosser. I am overwhelmed and disappointed with Glosser's decision to turn down the request for emergency action re: petcoke piles. Seriously... NOT an IMMEDIATE health risk!!! (sarcasm) Let's wait for spring's thaw!!! It will be back with a vengeance now that the piles are bigger than last years. Yep, all those 'Illinois' citizens are LYING about the petcoke invading their homes, their AIR!!! Shame on Glosser for not taking ACTION!!!! Wonder who or which corporations she has a stake in!?!?
