 ORIGINAL

HEARING OFFICER ORDER

On March 24, 2016, all parties participated in a telephonic status conference with the hearing officer. Discussion centered on petitioner's discovery requests that were served on February 16, 2016. The parties agreed that they will discuss the scope of the propounded discovery and the discovery responses in an attempt to resolve any differences. A meeting is scheduled for March 29, 2016, to address those issues. To that end, the timeline for discovery and responses will be held in abeyance and will be discussed at the next telephonic status conference..

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 7, 2016, at 1:30 p.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
