**HEARING OFFICER ORDER**

On September 8, 2016, all parties participated in a telephonic status conference with the hearing officer. Discussions first centered on the August 25, 2016 Board order directing petitioner to provide notice of its amended petition. Board order at 2. The parties do not agree that an additional notice is required and consequently the petitioner may file a motion for reconsideration.

The petitioner stated that it will file its responses or requests for clarification to the Board's questions on or before September 22, 2016. To that end, it was agreed that respondent's recommendation is now due on or before October 5, 2016. The petitioner also stated that it will file an additional waiver of the statutory decision deadline to and including February 16, 2017.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 6, 2016, at 10:30 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
