**HEARING OFFICER ORDER**

On June 28, 2016, all parties participated in a telephonic status conference with the hearing officer. The complainant stated that a draft stipulation and proposal for settlement (stipulation) is being circulated for review. To that end, it was agreed that respondent's answer or other pleading is now due to be filed on or before August 19, 2016.

The respondent stated that it will submit its' consent to be served electronically.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 28, 2016, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
