HEARING OFFICER ORDER

On December 11, 2014, all parties participated in a telephonic status conference with the hearing officer. It was noted that the United States Environmental Protection Agency has recently codified the delayed compliance deadlines for the Cross-State Air Pollution Rule (CSAPR). The petitioner is in the process of amending the petition to reflect the requirements of CSAPR and scheduling discussions with the respondent. The petitioner also stated that it is drafting a motion for leave to file an amended petition.

Petitioner further stated that it will file an additional waiver of the statutory decision deadline to and including May 7, 2015.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 15, 2015, at 10:30 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
