HEARING OFFICER ORDER

On July 30, 2014, all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that it has discussed with the respondent a pilot study that would install pumps in the monitoring wells. After a passage of time, the parties will review the effectiveness of the pumps. If effective, the petitioner may file a permit modification application and proceed from there.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including February 19, 2015.

The parties or their legal representatives are reminded and directed to appear at a telephonic status conference with the hearing officer on October 30, 2014, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
