HEARING OFFICER ORDER

On April 14, 2016, all parties participated in a telephonic status conference with the hearing officer. Respondent represented that complainant supplied it with numerous dates for the requested inspection of the site. Based on the proffered dates, the parties are discussing which dates would work the best.

Respondent stated that it will file a timely response to complainant's motion to strike affirmative defenses.

The parties' again requested that all discovery dates, including request to admit responses, be held in abeyance until at least the next scheduled telephonic status conference or when the Board rules on the motion to strike. Discovery dates will be revisited at the next status conference. The parties request was granted.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 4, 2016, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
