HEARING OFFICER ORDER

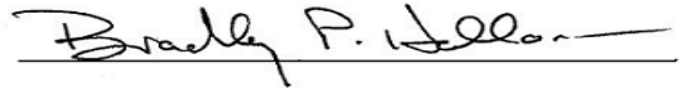

On September 29, 2016, all parties participated in a telephonic status conference with the hearing officer. The parties stated that they have continued with settlement discussions and that the complainant is forwarding additional information. The respondent stated that unfortunately its expert witness died.

The respondent has retained a new expert witness and will be doing a site visit to observe the backflow prevention valve on the complainant's property within the next week.

It was again agreed that due to the progress on settlement discussions, and the untimely deaths, any deadlines for answering the request to admit or responding to the outstanding motions, including responding respondent's motions for clarification and reconsideration filed August 24 and 25, 2016, be stayed and revisited until the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 16, 2016, at 1:30 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing

IT IS SO ORDERED.
