HEARING OFFICER ORDER

On August 24, 2016, all parties participated in a telephonic status conference with the hearing officer. The parties stated that they have continued with settlement discussions. At present, respondent is discussing internally the possibility of a settlement.

Additionally, respondent's motion for reconsideration and clarification of the Board's June 2, 2016 order regarding affirmative defenses was discussed. That motion was filed August 24, 2016. The respondent further stated that it will be filing within the next two days a motion for reconsideration of the Board's June 2, 2016 order regarding the denial of the motion for partial summary judgment. Finally, the due date for complainant's amended answers to the respondent's request to admit was discussed.

It was agreed that due to the progress on settlement discussions, any deadlines for answering the request to admit or responding to the outstanding motions, including the motion to be filed within the next two days, be stayed and revisited until the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 29, 2016, at 1:00 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing
