HEARING OFFICER ORDER

On October 15, 2015, the parties submitted *via* electronic service a status update. The parties were in agreement that a draft settlement is moving forward and again requested that any ruling on any outstanding motions and matters be held in abeyance while the parties continue with settlement discussions. The parties agreed request is granted.

Further discussions on the parties request may be revisited at the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 28, 2016, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. The complainant represented that it will notify the parties and the hearing officer of a call-in number prior to the next telephonic status conference. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
