HEARING OFFICER ORDER

On June 16, 2016, all parties participated in a telephonic status conference with the hearing officer. The complainant's attorney stated that he will present to the District's Board the motion to voluntarily dismiss the respondents without prejudice (Motion) that is being circulated among the respondents for review. The District's Board meetings are scheduled at the end of June and July. It was agreed that all decisions on the outstanding motions and discovery be held in abeyance and will be discussed at the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on August 4, 2016, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. The complainant represented that it will notify the parties and the hearing officer of a call-in number prior to the next telephonic status conference. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter. If, however, a motion is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
