ORDER OF THE BOARD (by J. D. Dumelle)

On October 14, 1983 the City of Mendota filed a petition for variance from 35 Ill. Admin. Code Section 312.101, which prohibits the operation of the treatment works, except under the supervision of a certified operator of the appropriate classification. That petition is insufficient in that although hearing is waived, there is no affidavit as required by 35 Ill. Admin. Code 104.124. Further, the Board requests more information regarding the dates of the facts alleged in paragraphs 3 and 4 as well as the costs of hiring a Class I operator.

Unless the City of Mendota filed an amended petition curing the above-noted defects within 45 days of the date of this Order, the petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 14th day of October, 1983 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
